[Winter Holiday Program Thursday, December 21 at 6 p.m. in Cafeteria](#)

Please join us for our annual Holiday Concert starring the Students of John Adams! The order of performances start with grades TK/K and ends with 5th graders.

Lost and Found

Thank you to all the families who came and picked up their jackets, lunch boxes and water bottles. We still have some unclaimed items. Please stop by the Cafeteria before or afterschool to look through lost and found items. If these items are not picked up by Thursday, December 21, the items will be donated.

[Save the Date! STEM NIGHT Thursday, January 18, 2018 5:30 - 7:30 p.m.](#)

Please come and join us for a night of family fun! Parents will participate with their children in STEM activities. If you and your child would like to participate in the Family STEM Night, please fill out the STEM RSVP form (attached) and return to the school office by Friday, January 12, 2018.

Valet

******For your safety and the safety of our children, please do not run or walk across the street in front of the school or in front of the cars using valet. If you have a babysitter or family member picking up your child please inform them of our school's goals to increase safety in our valet.******

As a reminder, there is NO PARKING in front of the school during valet drop-off and valet pick-up. Please do not remain stopped in "Valet Drop-Off" cone zone!

If the student needs more time to exit your car or do not wish to use our Valet Program, you can park on 237th street, where parking is permitted, and walk with your student to the back gate, utilizing the crosswalk and crossing guard.

Please try to use valet close to your student's dismissal time to keep the valet running smoothly. Please do not park and wait in the valet zone. If you have a 4th/5th grade student that gets out at the last dismissal time, please be considerate to the families trying to pick up 1st-3rd grade students at the earlier dismissal time.
