

# JOHN ADAMS ELEMENTARY SCHOOL

March 22, 2018

## McTeachers Night -March 13, 2018

Thank you for coming out to Adams' McTeacher's Night. We had such a wonderful turnout of smiling Adams' students and their families.

## Check out the New Street Signs in front of the school on 238th Street

New parking, loading and street cleaning signs have been installed on 238th street. Cars parked in loading zones during valet or street cleaning will be ticketed and possibly towed. The new signs will keep parked cars from slowing down our valet and increase safety for our students.

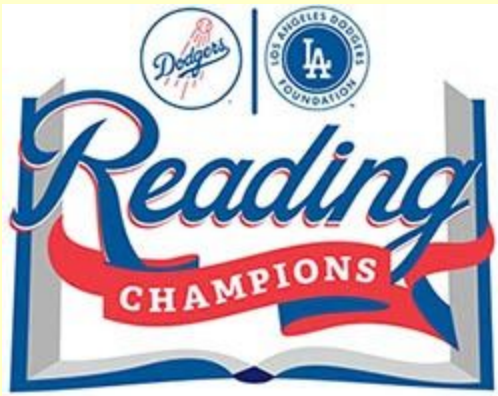

## Bike Rodeo -March 16, 2018

Great job to all the bike rodeo contestants. We were a little nervous that it was going to pour down raining, but the weather was perfect and contestants had a safe and fun time.

## The Los Angeles Dodgers "Reading Champions" Program

Looking for a fun way to get your child or student excited about reading? The Los Angeles Dodgers and Los Angeles Dodgers Foundation are excited to offer Dodgers Reading Champions as a part of LA reads, a joint initiative to help address the literacy crisis in Los Angeles by getting children excited about reading.

Keep your children motivated to read now through the end of summer. Dodgers Reading Champions encourages 1st-8th graders in Los Angeles County to read daily and long their minutes. This year our goal is for youth across Los Angeles County to read ONE MILLION minutes during the challenge. Sign up your child or student now!

Children track their reading minutes online with a goal to read at least 15-30 minutes per day (450-900+ minutes in any given month) in order to be recognized as a Dodgers Reading Champion and have a chance to win special Dodger prizes including pregame recognition on the field at Dodger Stadium. ## 2nd & 3rd Grade Summer Reading Program

We are so excited to announce that our Summer Reading Program is back! Our 2nd and 3rd grade students will participate in our awesome Summer Reading Program. Throughout the summer each participating student will receive one brand new book in the mail for 10 weeks. During the summer without direct instruction from a teacher some students may experience the "Summer Slide" in **reading achievement**. Our wonderful reading program supports maintaining and increasing reading levels throughout the summer break. All students must have parent permission to participate.
