April -Acts of Kindness Month

Kindness is contagious, join us in spreading kindness this month! Kindness April Calendar were sent to home in the Thursday Folder.

CAASPP (5th grade)

5th Grade Parents,

Your child will be taking the new California Science Test (CAST) that is replacing the old California Standards Test in Science (CST) during the weeks of 5/7/2018-5/22/2018. We have been recently informed by the state that parents will receive a score for the CAST. The score will be only a percentage correct and an indicator that your child has limited or moderate or considerable knowledge of science. It has not been decided yet how you will be informed of your child's score except that it will not be part of the regular California Assessment of Student Progress and Performance (CAASPP) reporting you receive in late summer/early fall according to the state. More information will follow.

Student Valet April 16-20
